

I Did the Best I Could

Jim-E Stack

Never paid enough attention
Didn't think we'd be ending
Uh yeah, uh yeah
Never paid enough attention
Didn't think we'd be ending
Uh yeah, uh yeah

Someone else
That's all you need
That's all you need
Someone else
That's all you need
Someone else
That's all you need

Never paid enough attention
Didn't think we'd be ending, no
Uh yeah, uh yeah

Someone else
That's all you need
That's all you need
Someone else
That's all you need
Someone else
That's all you need

Never paid enough attention
Didn't think we'd be ending
Uh yeah, uh yeah

Someone else
That's all you need
That's all you need
Someone else
That's all you need
Someone else
That's all you need
