

One Shot

Jim-E Stack

One shot, baby, that's all you got
Maybe I like the way you lie to your boy
He won't fight me though
One shot, baby, that's all you got
Maybe I like the way you lie to your boy
He won't fight me though
(Don't wanna see you)

Shed no tear, you're not here
Say you're not on my mind all the time

One shot, baby, that's all you got
Maybe I like the way you lie to your boy
He won't fight me though
One shot, baby, that's all you got (Oh, oh)
Maybe I like the way you lie to your boy
He won't fight me though (Oh, oh)
(Don't wanna see you)

Shed no tear, you're not here
Say you're not on my mind all the time
(Don't wanna see you)
