

Sweet Summer Sweat

Jim-E Stack

Can we talk? I
Tell you anything you want (Tell you anything you want)
Can we think about?
Tell you anything you want to
Think about
Ah, tell me what you dreaming about
Could you think about?
Ah, tell me what you dreaming about

Can we talk? I
Tell you anything you want (Tell you anything you want)
Can we think about?
Tell you anything you want to
Think about
Ah, tell me what you dreaming about
Could you think about?
Ah, tell me what you

Just keep your hand in my pocket
Sweet, sweet, sweet, sweet, sweet summer sweat
([?], life just flashed before me)
Just keep your hand in my pocket
Sweet, sweet, sweet, sweet, sweet summer sweat
([?], life just flashed before me)

Can we talk? I
Tell you anything you want (Tell you anything you want)
Can we think about?
Tell you anything you want to
Think about
Ah, tell me what you dreaming about
Could you think about?
Ah, tell me what you

Just keep your hand in my pocket
Sweet, sweet, sweet, sweet, sweet summer sweat
([?], life just flashed before me)
Just keep your hand in my pocket
Sweet, sweet, sweet, sweet, sweet summer sweat
([?], life just flashed before me)

Owe you one thing
All that you want
And I could tell you, tell you anything
All that you want it's yours
Just keep your hand in your pocket
Sweet, sweet, sweet, sweet, sweet summer
Sweet, sweet, sweet, sweet, sweet summer sweat
