

Actress

Jim James

You're good at making everyone believe that they love you
A little wink of the eye a little glimpse of the thigh and we're
in heaven

Whether or not it's true, I believe in the concept of you
With personality, destructing reality

Oh actress, the fact is
I believe in the myth and the legend
No reality
Don't believe in everything
I believe in a heightened emotion

Truth stings and in a blink of an eye your life changes
What I came to know is you
Had been replaced by something new
Oh what an actress

Whether or not it's true, I believe in the concept of you
With personality, destruct my reality

Oh actress, fact is
I believed in the myth and the legend
Thought I knew reality
But you were training to be
Lost in a fantasy

Oh actress the fact is
I believe in the myth and the legend
A new reality
And I believe in everything
Swayed by a sense of devotion
