

## Leather & Lace

Jim James

Is love so fragile  
And the heart so hollow?  
Shatter with words  
Impossible to follow

Saying, I'm fragile  
I try not to be, I search only  
For something I can't see

I have my own life  
And I am stronger than you know

But I carry this feeling  
When you walked into my house  
That you won't be walking out the door

Still I carry this feeling  
When you walked into my house  
That you won't be walking out the door

Lovers forever  
Face-to-face  
My city, your mountains  
Stay with me, stay  
I need you to love me  
I need you today  
Give to me your leather  
Take from me my lace

You in the moonlight  
With your sleepy eyes  
Could you ever love a man like me?

And you were right  
When I walked into your house  
I knew I'd never wanna leave

Sometimes, I'm a strong man  
Sometimes, cold and scared  
And sometimes I cry

But that time I saw you  
I knew with you to light my night  
Somehow I'd get by

Lovers forever  
Face-to-face  
My city, your mountain  
Stay with me, stay  
I need you to love me  
I need you today  
Give to me your leather  
Take from me my lace

Lovers forever  
Face-to-face  
My city, your mountains

Stay with me, stay  
I need you to love me  
I need you today  
Give to me your leather  
Take from me my lace  
Take from me my lace  
Take from me my lace
