

No Secrets

Jim James

No telling secrets like we were drenched in blood
No telling secrets behind the door, like we were
No pageant dancing in the moonlight, lighting it up
Not a question of if they're gonna find that, they always do

No keeping secrets just like we were drenched in blood
No keeping secrets behind the door, unlike we were, unlike we were
Ooh-ooh-ooh, ooh-ooh, ooh, ooh-ooh, ooh, oh yeah

No telling secrets like we were all drenched in blood
No telling secrets behind the wall, like we were
Don't hide your dancing in the moonlight, light it up
Not a question of if they gonna find out, they always do

No keeping secrets just like we was all drenched in blood
No keeping secrets behind the wall, like we were, like we were
Ooh-ooh-ooh, ooh-ooh, ooh, ooh-ooh, ooh, oh yeah
