

Out of Time

Jim James

I'm either behind the times or ahead of the times
Or maybe I'm just out of time
Outta luck, outta touch
I got a weird feeling, way too much
Outta season, outta prime
I'm out of time

I'm either behind the times or ahead of the times
Or maybe I'm just out of time
Outta luck, outta touch
Got a weird feeling, maybe way too much
Outta reason, out of my mind
I'm out of time

Out of my mind
