This Is for My Bitches

Jim Jones

This goes out to all my fly ladies all across the world You know I love you And I'm sorry if I called you a bitch. sincerely yours, JONES

Shawty's like the sexiest thinkg that I've ever seen She is like a drug and you know im'a fiend When we sexin Shawty let me Do the different freaky things to her And I like the way she kiss me when we're all alone And like when she miss me she be callin ma phone Like where you been? Lets get it in Scoop her up like baby lets roll

This is for my bitches
All around the world and they straight up sexy
All around the world ladies can you feel me?
That's the girls I like I put your hands up high I I I
This is for my bitches
All around the world and they straight up sexyy
All the girls around the world ladies can you feel me?
That's the girls I like I..put your hands high I I I
This is for my bitches

From New york she was summer laid (like a star)
Pretty thang from around the way (she was all)
Body like she was from the A
I like I like M.I.A
High drops that's the way we play
Top down major woulda made ya day
Spending money like a vegas day
