## Charmaine

## Jim Reeves

I wonder why you keep me waiting Charmaine, my Charmaine? I wonder when bluebirds are mating Will you come back again?

I wonder if I keep on praying Will our dreams be the same?
I wonder if you ever think of me too Charmaine, my Charmaine?

Charmaine, my Charmaine

Will you come back again?

I wonder if I keep on praying Will our dreams be the same?
I wonder if you ever think of me too Charmaine, my Charmaine?..
