## From A Jack To A King

**Jim Reeves** 

From a jack to a king From loneliness to a wedding ring I played an ace and I won a queen And walked away with your heart

From a jack to a king With no regrets I stacked the cards last night And lady luck played her hand just right And made me king of your heart

For just a little while I thought that I might lose the game Then just in time I saw the twinkle in your eye

From a jack to a king From loneliness to a wedding ring I played an ace and I won a queen You made me king of your heart

For just a little while I thought that I might lose the game Then just in time I saw the twinkle in your eye

From a jack to a king From loneliness to a wedding ring I played an ace and I won a queen You made me king of your heart
