Have I Told You Lately That I Love You

Jim Reeves

Have I told you lately that I love you
Could I tell you once again somehow
Have I told with all my heart and soul how I adore you
Well darlin' I'm telling you now

My world would end today if I should lose you I'm no good without you, anyhow
This heart would break in two if you refuse me
Well darlin' I'm telling you now

Have I told you lately how I miss you When the stars are shining in the sky Have I told you why the nights are long When you're not with me Well darlin' I'm telling you now

My world would end today if I should lose you I'm just no good without you, anyhow This heart would break in two if you refuse me My darlin', I'm telling you now...
