

# I Catch Myself Crying

Jim Reeves

It doesn't matter  
One way or another,  
I say, but I'm lyin'  
I catch myself cryin'.

There are fools, I was one  
But it's over and done  
And I'm tryin'  
But I catch myself cryin'.

I catch myself wonderin'  
If you'll find somebody new  
I catch myself wonderin'  
If you're wonderin'  
If I'll find somebody, too.

It doesn't matter  
One way or another,  
I say, but I'm lyin'  
I catch myself cryin'.

I catch myself wonderin'  
If you'll find somebody new  
I catch myself wonderin'  
If you're wonderin'  
If I'll find somebody, too.

It doesn't matter  
One way or another,  
I say, but I'm lyin'  
I catch myself cryin'...
