## Take Me in Your Arms and Hold Me

Jim Reeves

Take me in your arms and hold me
Like I've been holding you in my heart
Take me in your arms and tell me
That you've missed me since we've been apart.

You just don't know how
Heartsick and lonesome I've been
Or how much I've prayed
That you'd come back again.

And take me in your arms and hold me Like I've been holding you in my heart.

You just don't know how
Heartsick and lonesome I've been
Or how much I've prayed
That you'd come back again.

And take me in your arms and hold me Like I've been holding you in my heart...
