This Is It

Jim Reeves

Well, this is it,
That day is here
The day I knew would come
When you would leave me dear.

Well, here I sit, While teardrops fall And wonder why I care When you don't care at all.

But I'm a fool that way
From a-way back when
A fool who'd take you back
If you'd come back again.

But, this is it, You're gone, you're free You'll find another love But this is it for me.

Well, this is it,
That day is here
It's no surprise and yet
I can't hold back the tears.

Well, here I sit, And try to guess how such an empty room So full of loneliness.

Well, even the clock has stopped Somehow I guess it knew That time's run out of me It's over it's all through.

Yes, this is it, You're gone, you're free You'll find another love But this is it for me...
