

Till The End Of The World

Jim Reeves

Till the star in the sky seems to shine
Till the sand in the desert grows cold
Till the last petals fall from the roses
And the silver in your hair turns back to gold.

Till the sun and the moon clad in darkness
And we wait for the great light to shine
My darling that's how long I will love you
Till the end of the world you'll be mine.

Till the star in the sky seems to shine
Till the sand in the desert grows cold
Till the last petals fall from the roses
And the silver in your hair turns back to gold.

Till the sun and the moon clad in darkness
And we wait for the great light to shine
My darling that's how long I will love you
Till the end of the world you'll be mine...
