

# You'll Never Be Mine Again

Jim Reeves

You'll never be mine again  
Guess I've known it since don't know when  
I've just been pretending  
I know I can't win.

Let me hold you just one more time  
And pretend that your world is mine  
We'll whisper goodbye and then  
You'll never be mine again.

Someone else will know  
The thrill of holding you  
And sharing all those  
Little things we used to do.

So give me your sweetest smile  
And let me just dream a while  
Then my world will come to an end  
You'll never be mine again.

Someone else will know  
The thrill of holding you  
And sharing all those  
Little things we used to do.

So give me your sweetest smile  
And let me just dream a while  
Then my world will come to an end  
You'll never be mine again...
