

## Young Hearts

Jim Reeves

Young hearts can be foolish and make a mistake  
If they're not forgiven young hearts can break  
So kiss me my darling hold me tight young lips make everything  
right  
Young hearts can be cruel young hearts can be blind  
I'm sorry that mine dear was one of that kind  
If you can forgive me kiss me and then our young hearts will be  
happy again

Young hearts can be foolish...
