

## Jerome

Jim Sullivan

And I found a magic man  
I bought a pound of magic and  
A kinda dream and plan  
Where you lay you hand  
I found a magic man  
Where is where it's at Jerome?  
Where is there I want to go?  
Where is where it's at Jerome?

Is it a place out there?  
Just a town down there  
If you're driving slow  
Where is where it's at Jerome?  
If you take your magic slow  
Maybe you can find Jerome  
Sits on top of a hill  
Overneath a hole  
If you're driving slow  
Maybe you can find Jerome  
Maybe you can find Jerome  
Maybe you can find Jerome

Look all around and see if you can spot Jerome
