

Lover Man

Jimi Hendrix

Here he comes, baby
Here comes your lover man
Here he comes
Here comes your lover man
I see him out your window, baby
I'll be down as fast as I can
Reach up, baby
Throw down my runnin' shoes
Reach up, baby
Hand me down my runnin' shoes
I see your man comin'
I ain't got no more time to lose

I wanna love you longer, baby
I wanna love you stronger, stronger, but
I wanna love you over longer, but
If that's your old man there over yonder now
