

Suddenly

Jimin (AOA)

I I had to leave like that suddenly
To a place where no one knows
Time went by so fast
Everyday I got used to the darkness

Uu uu
Uu uuu ~

Just keep that
Your phony smile
I don't need pity right now ah~
I'll make my wonderland

I I must go on
I must go on and on
I just go go go go

And I know
All I loved was gone
I lost my everything
Except myself

I I had to leave like that suddenly
To a place where no one knows
Time went by so fast
Everyday I got used to the darkness

Just keep that
Your phony smile
I don't need pity right now ah~
I'll make my wonderland
