

Angel (Anniversary Edition)

Jimin

Angel, don't fly so close to me
I'll pull you down eventually
You don't wanna lose those wings
People like me break beautiful things
Angel, don't fly so close to me
I'm what you want, not what you need
You don't wanna lose those wings
People like me break beautiful things

Another day, another week
Another night I didn't sleep
I thought together we'd be better
Guess I should've known better
Seein' things I can't unsee
Said things I can't repeat
Forget whatever you remember

No, I don't need no conversation
One more moment wasted
We're movin' on
Don't make this harder than it has to be
If you're really my

Angel, don't fly so close to me
I'll pull you down eventually
You don't wanna lose those wings
People like me break beautiful things
Angel, don't fly so close to me
I'm what you want, not what you need
You don't wanna lose those wings
People like me break beautiful things
Beautiful, Beautiful, Beautiful, Beautiful
Beautiful, Beautiful, Beautiful, Beautiful
You don't wanna lose those wings
People like me break beautiful things
Beautiful, Beautiful, Beautiful, Beautiful
Beautiful, Beautiful, Beautiful, Beautiful
You don't wanna lose those wings
People like me break beautiful things

Generation curses of disloyalty, we breakin' that
Lost my dawg, got him back
Took him in, we shakin' back
Struggle never broke us, it just made us who we is
Losses taught a lot of lessons, made the wins feel like blessings
Family all that you got at the end, hope you get the message
I ain't tryin' to make it without you
But if I got to then I got you
This ain't about me, it's about the whole cake
We can take a slice on a different day, just keep your plate
God, family, hustle, goals
Heart, mind, body, soul
Watchin' out for street signs on a narrow road
Heaven at the end, prayin' for the lost souls with my angels

Angel, don't fly so close to me
I'll pull you down eventually

You don't wanna lose those wings
People like me break beautiful things
Angel, don't fly so close to me
I'm what you want, not what you need
You don't wanna lose those wings
People like me break
People like me break beautiful things
Beautiful, Beautiful, Beautiful, Beautiful
Beautiful, Beautiful, Beautiful, Beautiful
You don't wanna lose those wings
People like me break beautiful things
Beautiful, Beautiful, Beautiful, Beautiful (So close to me)
Beautiful, Beautiful, Beautiful, Beautiful
Beautiful, Beautiful, Beautiful, Beautiful
People like me break beautiful things

People like me break beautiful things
