

# Be Mine

Jimin

Movin', comin', lovin', yeah, yeah, yeah  
Movin', comin', lovin', yeah, yeah, yeah  
Movin', comin', lovin', yeah, yeah, yeah  
Movin', comin', lovin', yeah, yeah, yeah

If I was an island  
You'd be the party  
I know what you want  
And baby, I want the same

Love 'til the morning  
We keep on fallin'  
This kinda connection's as real as DNA

Baby come, baby come  
Show me what  
Show me what love is, yeah, yeah  
Look at us, look at us  
Gettin' caught up in the moment

Lovers come and go  
In and out of my heart  
All I really know is I wanna be where you are  
Oh no, baby, don't leave me here in the dark

I want you to be mine  
I want you to be mine  
I want you to be my

Movin', comin', lovin', yeah, yeah, yeah  
I want you to be mine  
Movin', comin', lovin', yeah, yeah, yeah  
I want you to be mine  
Movin', comin', lovin', yeah, yeah, yeah

I want you to be mine  
I want you to be mine  
I want you to be my

Don't need to worry  
Just follow my lead  
Just talk with emotions  
No more we need to say

Baby come, baby come  
Show me what  
Show me what love is, yeah, yeah  
Look at us, look at us  
Gettin' caught up in the moment

Lovers come and go  
In and out of my heart  
All I really know is I wanna be where you are  
Oh no, baby, don't leave me here in the dark

I want you to be mine  
I want you to be mine

I want you to be my

Movin', comin', lovin', yeah, yeah, yeah  
I want you to be mine  
Movin', comin', lovin', yeah, yeah, yeah  
I want you to be mine  
Movin', comin', lovin', yeah, yeah, yeah

I want you to be mine  
I want you to be mine  
I want you to be my

Don't you rush this feeling take it slow  
Dancin' in the moonlight all night long  
If you're questionin' my love, then don't

I want you to be mine  
I want you to be mine  
I want you to be my

Movin', comin', lovin', yeah, yeah, yeah  
I want you to be mine  
Movin', comin', lovin', yeah, yeah, yeah  
I want you to be mine  
Movin', comin', lovin', yeah, yeah, yeah

I want you to be mine  
I want you to be mine  
I want you to be my

Movin', comin', lovin', yeah, yeah, yeah  
Movin', comin', lovin', yeah, yeah, yeah  
Movin', comin', lovin', yeah, yeah, yeah  
Movin', comin', lovin', yeah, yeah, yeah
