

Hung a right right off the exit
Everything just like I left it
Five-0 parked at the Texaco
Cape sign flashing go Big Blue
Black marks at the four way stop
Jack and Dianne in the parking lot
Every time I take this drive
Man, it makes me wish I was...

Twenty one, clear like a picture
Up on the hood of my truck with a sixer
Hanging with the boys, talking bout girls
Slo-mo watching this world go
'Round and 'round this
Nowhere town
Somewhere between forever and young
Twenty one
Twenty one

If I had a time machine I'd point it
To me and you and Matchbox Twenty
Flyin' outta two JBLs
Behind the seat while I held
You for a while, 'fore the good went by, girl
I can't lie, sometimes

I wish I was twenty one, could see it like a picture
Up on the hood of my truck with a sixer
Hanging with the boys, talking bout girls
Slo-mo watching this world go
'Round and 'round this
Nowhere town
Somewhere between forever and young
I wish I was twenty one
Yeah, twenty one

It all comes back every time I come back, every time
Yeah, it all comes back every time I come back, every time, oh
I wish I was twenty one

Somewhere hanging with the boys, talking bout girls
Slo-mo watching this world go
'Round and 'round this
Nowhere town
Somewhere between forever and young
Twenty one
Yeah, twenty one
Twenty one
Yeah, twenty one
