

## Best Shot

Jimmie Allen

I'm just flesh and bone, heart and soul  
And I've earned a couple scars  
I've let once in a lifetime kind of things slide right out of my arms  
I've struck out, I've been knocked down more times than I can count  
But that don't matter now

'Cause when you smile  
I see the sun sink down on a coast out in California  
And there's no doubt  
Because of you, I'm not the man I was before you  
I'm not saying that I'm perfect  
Oh 'cause girl you know I'm not  
But I'll love you with everything I've got  
Girl I'll give you my best shot

You saw a spark inside of me that no one else could find  
Your good morning eyes, they get me high  
Girl you're always on my mind

'Cause when you smile  
I see the sun sink down on a coast out in California  
And there's no doubt  
Because of you, I'm not the man I was before you  
I'm not saying that I'm perfect  
Oh 'cause girl you know I'm not  
But I'll love you with everything I've got  
Girl I'll give you my best shot

When I saw you for the first time  
I knew I'd found amazing grace  
It's like angels singing every time I hear your name  
When you smile  
I see the sun sink down on a coast out in California  
And there's no doubt  
Because of you, I'm not the man I was before you

When you smile  
I see the sun sink down on a coast out in California  
And there's no doubt  
Because of you, I'm better than I was before you  
I'm not saying that I'm perfect  
Oh, God knows I'm not  
But I'll love you with everything I've got  
Girl I'll give you my best shot

I'm gonna give you, I'll give you my best shot  
I'm gonna give you, I'm gonna give you, yeah  
Whoa whoa yeah  
Whoa yeah
