

broken hearted

Jimmie Allen

Lately I can't even tell anymore where this is going
Cause you kiss me like you're not there anymore
You're just goin through the motions

Do you feel tied down somewhere in the back of your mind
Do you love me? still want me?
Cause girl I kinda wonder if I

Walked out of the door tonight
Would you be broken hearted?
Would you stop me first and put up a fight
To finish what we started?
Would you watch the taillights fade
Or would you chase me down and stay?
If it was over, would you just let me go
Cause it's what you wanted
Or would you be broken hearted?

Part of me feels like it's all in my head, damn, what am I thinking?
Part of me thinks you can't wait to be out there, single and drinking
Would it take two days and you're back up on your feet in no time?
Would you cry? don't lie
I can't help but wonder if I

Walked out of the door tonight
Would you be broken hearted?
Would you stop me first and put up a fight
To finish what we started?
Would you watch the taillights fade
Or would you chase me down and stay?
If it was over, would you just let me go
Cause it's what you wanted
Or would you be broken hearted?

Cause I still believe that I'm the one for you (for you)
And I gotta know if you believe it too
So baby tell me if I

Walked out of the door tonight
Would you be broken hearted? Oh oh
Would you stop me first and put up a fight
To finish what we started?
Finish what we started
Would you watch the taillights fade
Or would you chase me down and stay?
If it was over, would you just let me go
Cause it's what you wanted
Or would you be broken hearted?
Whoa
Would you be broken hearted?

Whoa
Would you be broken hearted?
