Jimmie Allen

I love the way that your hair always falls on your face when you wake  
in the mornin'  
And I love the way that Mariah would carry your feet to the livin' ro  
om floor yeah  
And we danced all night  
When your love was mine  
And I love those days  
But I hate to say

I don't love lovin' you  
'Cause you love someone new  
I don't love missing you  
'Cause you don't miss me too  
And I love who you are but it's breaking my heart to admit our time i  
s through  
I don't love lovin' you  
'Cause love is the hardest thing to undo

I love the smell of Chanel on your clothes when you're pulling me clo  
ser to kiss me  
And I love the look in your eyes and my outlook on life every time th  
at you're with me  
But I can't rewind  
Your hand in mine  
I miss all the time we spent  
Baby don't take offense

I don't love lovin' you  
'Cause you love someone new  
I don't love missing you  
'Cause you don't miss me too  
And I love who you are but it's breaking my heart to admit our time i  
s through  
I don't love lovin' you  
'Cause love is the hardest thing to undo

I tried to hate your favorite songs and your pictures on the wall  
I hate the fact that I just don't hate you at all

I don't love lovin' you  
Nah nah nah  
'Cause you love someone new  
I don't love missing you  
'Cause you don't miss me too  
And I love who you are but it's breaking my heart to admit our time i  
s through  
I don't love lovin' you  
'Cause love is the hardest thing to undo

Can't get it back  
Can't get it back  
Love is the hardest thing to undo

Can't get it back  
Can't get it back  
Hardest thing to undo
