The World I Used To Know

Jimmie Rodgers

Some day some old familiar rain will come along and know my nam ${\rm e.}$

And then my shelter will be gone and I'll have to move along. But 'till I do I'll stay awhile and track the hidden country of your smile.

Some day the man I use to be will come along and call on me. And then because I'm just a man, you'll find my feet are made of sand.

But 'till that time I'll tell you lies and chart the hidden bou ndaries of your eyes.

Some day the world I use to know will come along and bid me go.

Then I'll be leaving you behind for love is just a state of min d.

But 'till that day I'll be your man and love away your troubles if I can.

And 'till that day I'll be your man and love away your troubles if I can.

(in his video he closes by repeating the line:

"In the world I used to know")
