

## 10 Miles

Jimmie's Chicken Shack

Who'll deny desire  
I want to feel what your feeling  
Yeah I hope I'm ready  
Pacing out the words  
I want you to feel what I'm feeling  
Though we're not the same

In these eyes, wide  
Your reflection penetrates  
The depth of my spirit still

Though it's not very far  
I just can't escape  
From the feeling that I  
Run ten miles a day...
