

Quitter

Jimmie's Chicken Shack

Don't think you could care less
Unashamed and you're
Not afraid to say
What will come next
Get wasted
Get in bed
Woo

I love giving it up
And you just can't get enough
I love giving it up
Yeah you can make me say
I love giving it up
And you just can't get enough
Still you keep saying I'm the worlds greatest

Quitter

You can stop on a dime
You can hold you're own
With the worst of them
Don't want to be alone
All for one for once and for all

I love giving it up
And you just can't get enough
I'm love giving
And I'd never make you have to say
I'm love giving it up
And you just can't get enough
Don't have to tell me I'm the worlds greatest
Quitter

You keep saying I'm the worlds greatest
You keep saying I'm the worlds greatest
I love giving it up
And you just can't get enough
I love giving it up
And you still make me say
I love giving it up
And you just can't get enough
And you keep saying I'm the world's greatest
