

## Throwing Caution

Jimmie's Chicken Shack

What you waiting for  
Aren't you out of time  
Hey! Grab your arm  
Pull you to me, again  
You waste no time to tell me  
Hey! It's your time for sure  
You gotta stop, gotta get out, get out again  
Hey! Gotta get out, get out again

Throwing caution to the wind  
Throwing caution to the wind

I closed the open door  
Like I commit a crime  
Hey! Drag me down  
Not gonna waste my time again  
It takes no time to sell me on it  
Hey! It's our time for sure  
You gotta stop, gotta get out, get out again  
Hey! Gotta get out, get out again

Throwing caution to the wind  
Throwing caution to the wind

I'm sick and tired of being sick and tired  
But I'm not starting a fight with you  
I'm just sick and tired of being sick and tired  
So have it your way, have it your way

Gotta get out, get out again  
Gotta get out, get out again
