

I'm In A Bad Mood

Jimmy Barnes

I got me a car but I lost my keys
Got me a girl that I can't please
Wind's blowing cold and I might freeze
You ain't said a word that I believe
When I look at my life it just brings me down
Look in the mirror and I see a clown
I read your lips but I can't hear a sound
I go out to a bar and I want to tear it down

I'm in a bad mood
I'm in a bad mood tonight
I'm in a bad mood
I'm in a bad mood tonight

Look up at the sky and it rains on me
Head hangs low and I can't breathe
I'm laying in your bed and I can't sleep
I'd buy me a drink but I'm way too cheap
I can't see the point of changing my shirt
It's covered in sweat making my eyes hurt
You walked out on me but I still smell your perfume
You've left a whole lot of you all around this room

I'm in a bad mood
(Yes I am)
I'm in a bad mood tonight
I'm in a bad mood, yeah
I'm in a bad mood tonight

I'm in a bad mood
I'm in a bad mood tonight
I'm in a bad mood
I'm in a bad mood tonight
I'm in a bad mood
I'm in a bad mood tonight
I'm in a bad mood
I'm in a bad mood tonight
