Rip It Up

Jimmy Barnes

Cause it’s saturday night and I just got paid
Fool about my money don’t try to save
My heart says, go, go
Have a time ‘cause it’s saturday night
And I’m feelin’ fine

I’m wanna rock it up
I’m wanna rip it up
I’m wanna shake it up
I’m wanna ball it up
I’m wanna rip it up
And ball tonight

I got me a date and I won’t be late
Pick her up in my ‘88
Shag it on down to the union hall
When the joint starts rockin'
We’ll have a ball

I’m wanna rock it up
I’m wanna rip it up
I’m wanna shake it up
I’m wanna ball it up
I’m wanna rip it up
And ball tonight

Along about ten i’ll be flying high
Rocking on out into the sky
I don’t care how I spend my dow
Cause tonight I’m gonna be one happy soul

I’m wanna rock it up
I’m wanna rip it up
I’m wanna shake it up
I’m wanna ball it up
I’m wanna rip it up
And ball tonight

Cause it’s saturday night and I just got paid
Fool about my money don’t try to save
My heart says, go, go
Have a time ‘cause it’s saturday night
And I’m feelin’ fine

I’m wanna rock it up
I’m wanna rip it up
I’m wanna shake it up
I’m wanna ball it up
I’m wanna rip it up
And ball tonight

I’m wanna rock it up
I’m wanna rip it up
I’m wanna shake it up
I’m wanna ball it up
I’m wanna rip it up
And ball tonight
