

## Sister Mercy

Jimmy Barnes

You know baby  
That you've been hurting me  
And you can see it in my eyes  
But I know that if you asked me  
I'd be the one to testify

'Cause a woman's got the power  
To take control of me  
Well she can wrap me round her finger  
And make a damn fool of me

I keep on pleading with my love but in vain  
I've been hurting but I can't stand the pain  
Keep on pushing and you'll drive me insane  
I keep on telling you again and again

Sister mercy, keep on coming down on me  
Sister mercy, any time that you set me free  
Show me mercy, let me get up off my knees  
Sister mercy have mercy  
Oh have mercy on me

I wanna tell you honey  
Ain't the kind that would love and lie  
And I don't want to argue  
And I don't want no alibis

You keep me spinning like I'm under a spell  
I try to hide it, girl you know me too well  
I feel pressure when you're squeezing me tight  
Your teeth are shining when I turn out the light

Sister mercy, what are you trying to prove  
Sister mercy, give it up you've got to turn me loose  
Show me mercy, I've got nothing left to lose  
Sister mercy have mercy  
Oh have mercy on me

I'd like too look beyond her masquerade  
I'm sure I'd find a way to make her change  
'Cause I can tell that girl ain't quite so hard  
My sister mercy's gonna have a brand new start
