

Beyond The End

Jimmy Buffett

Mayan moon was burnin'
We saw visions of the past returnin'
On the shore, the band was playin'
We all heard what the moon was sayin'

The world keeps closin' in
It has before, it will again
A voice beyond the wind
Says we must go beyond the end
So follow beyond the end

A sea of friends are singin'
Vaya con dios, mis amigos
We take their hopes and feelings
To some new world we'll be revealin'

Old worlds keep closin' in
They have before, they will again
Voices call beyond the wind
Say we must go beyond the end
And follow beyond the end

Old worlds keep closin' in
They have before, they will again
Voices call beyond the wind
Say we must go beyond the end

Old worlds keep closin' in
They have before, they will again
Voices call beyond the wind
Say we must go beyond the end
And follow beyond the end

Old worlds keep closin' in
They have before, they will again
Voices call beyond the wind
Say we must go beyond the end

Old worlds keep closin' in
They have before, they will again
Voices call beyond the wind
Say we must go beyond the end

Old worlds keep closin' in
They have before, they will again
Voices call beyond the wind
Say we must go beyond the end
And follow beyond the end
