

Boomerang Love

Jimmy Buffett

Hole in the wind behind the island
Big blue hole in the middle of my heart
I can't forget the time we spent together
I can't remember how long, long we've been apart

Riding on a boomerang love, circling fast
Hard to see in a sky so vast
Laugh 'til you cry, cry 'til you smile
Up and down, all around

Boomerang, boomerang
Boomerang, boomerang love
Boomerang, boomerang
Boomerang, boomerang love

We both know we live in different orbits
Different islands, different worlds, though we really are the same
I'm just glad, glad we started talking
Finally realize no one is to blame

Riding on a boomerang love, can't let go
Running fast, moving slow
What's the right way, who is to say?
Tension and suspension

On a boomerang, boomerang
Boomerang, boomerang love
Boomerang, boomerang
Boomerang, boomerang love

Big blue hole out in the ocean
Where I dive straight down until I cannot see
Feel my way through a bevy of solutions
There I realize the answer is in me

Getting off of this boomerang love, coming up for air
I want to do what's right, I want to do what's fair
Come what may we'll find a way
No more tension or suspension

No more boomerang, boomerang
Boomerang, boomerang love
No more boomerang, boomerang
Boomerang, boomerang love

No more boomerang, boomerang
Boomerang, boomerang love
Boomerang, boomerang
Boomerang, boomerang love
