

Duke's On Sunday

Jimmy Buffett

People in here from all over the world
Men, women, little boys and girls
Gather 'round by the seaside
Beach party, tropics style
Diamond head and palm trees
Surf riders on the sea
This is the place to be
Oh yeah, this is the place to be

One the beach at Waikiki
That's where you'll find me
Here on the south side
Beach Boys paradise

Duke's on Sunday
Duke's on Sunday
Duke's on Sunday

Music playing, happy songs
Everybody's getting along
Dancing in the sunshine
Sippin' on that rosé wine
Good times will set you free
Oh, this is the place to be

One the beach at Waikiki
That's where you'll find me
Here on the south side
Beach Boys paradise

Duke's on Sunday
Duke's on Sunday
Duke's on Sunday

Down in front, underneath the sun
Just you and me, just you and me, just you and me

Feelin' good, feelin' right
Sunset is out of sight
Another beautiful Hawaiian day
Everything's gonna be okay
Let's get together and do this again
Maybe I'll see you here next week, my friend

One the beach at Waikiki
That's where you'll find me
Here on the south side
Beach Boys paradise

Duke's on Sunday
Duke's on Sunday
Duke's on Sunday
Duke's on Sunday
