

# High Cumberland Jubilee / Comin' Down Slow

Jimmy Buffett

Maybe leaving's better in the afternoon  
When the rain don't fall so hard  
From where we were we had to look down far below  
To see just what went on in our own backyard

Coming down slow without a thing to show  
Wondering what went on while we were up there  
Mountain roads now asphalt highways  
That we once called heaven's skyways  
Children lost, what is the cost to get back home again?

La la la la la la la la la  
La la la la la la la la la

It was a high Cumberland jubilee  
Such a high Cumberland jubilee  
It was a high Cumberland jubilee  
Such a high Cumberland jubilee  
It was a high Cumberland jubilee  
Such a high Cumberland jubilee

I'm goin' to climb up in the mountain  
I'm goin' to climb up in the tree  
I'm goin' to climb up in the mountain  
I'm goin' to see what I can see  
You know...

It was a high Cumberland jubilee  
Such a high Cumberland jubilee  
It was a high Cumberland jubilee  
Such a high Cumberland jubilee  
It was a high Cumberland jubilee  
Such a high Cumberland jubilee
