

Somethin' 'Bout A Boat

Jimmy Buffett

Somethin' 'bout a boat sitting on the sea
Out there in the wind, floatin' on the free
Take you 'round the world, bring you back home
Gives a man hope, somethin' 'bout a boat

Something 'bout an old guitar and the way it still sings
After all the smoky bars and the broken strings
Played a million songs, broke a lot of hearts
Made some people stars, somethin' 'bout an old guitar

Ain't it crazy how somethin' seems like nothin' at all?
Take a big old room, make it seem so small
Seein' windows where there are walls
Makes a whole lot of somethin' out of nothin' at all

Somethin' 'bout your dog sittin' by your side
If you had a bad day, she ain't gonna run and hide
Just a-waggin' that tail, grinnin' that grin
Somethin' 'bout my dog makes her my best friend

Ain't it crazy how somethin' seems like nothin' at all?
Take a big old room, make it seem so small
Seein' windows where there are walls
Makes a whole lot of somethin' out of nothin' at all

Somethin' 'bout a dog
Somethin' 'bout an old guitar
Somethin' 'bout a boat
Gives a man hope
