

## Survive

Jimmy Buffett

I play the stereo loud  
When I'm away from the maddening crowd  
Smokin', jokin', clowns we all are  
Sometimes gotta get really ill  
When I receive my monthly telephone bill  
You say it and I'll pay it, 'cause it just helps me to

Survive, stay alive  
'Til I see you again  
Survive, stay alive  
Can't say where it ends

Clouds lift and there are mountains below  
Been a while since I've seen any snow  
Chillin', so thrillin', so good to be back  
Feels nice to be home for awhile  
Let's sip champagne 'til we break into smiles  
Well go dancin' romancin', 'cause you're the reason I

Survive, stay alive  
Through the thick and the thin  
Survive, stay alive  
Where will it all end?

But my bags ain't unpacked  
'Cause I've got to go back and play  
But I know we'll both

Survive, stay alive  
Through the thick and the thin  
Survive, stay alive  
'Til it all ends

Ooh we'll survive, stay alive  
When will it all end?  
Survive, stay alive  
'Til I see you again
