

## Dear Mother

Jimmy Cliff

Do you have a dear mother  
Kind, devoted and true  
Dear mother I'm sending to you  
Best wishes and all the day through  
May your days be cloudless and clear  
Bringing to you true happiness  
Each day and night of the year

She's my mother  
And I love her so  
More than any other  
Anywhere I go

Do you have a dear mother  
Kind, devoted and true  
Dear mother may all that is fair  
Come to you right through the year  
While I was a child you were my god  
You were always dear to me and always were by my side

She's my mother  
And I love her so, yes I do  
More than any other  
Anywhere I go  
Do you have a dear mother

So devoted and true  
Dear mother I'm sending to you  
Best wishes and all the day through  
May your days be cloudless and clear  
Bringing to you true happiness each day and night of the year

She's my mother  
And I love her so, yes I do  
More than any other  
Anywhere I go, talking 'bout my mother  
She's my mother  
And I love her so  
More than any other, woman in this world  
Anywhere I go  
She's my mother
