

Dreams

Jimmy Cliff

In each one's life we all have dreams
We all have hopes, we all have visions
And if they slip and cause us pain
Just pick them up and start again

R: 'Cause every dream must be realised
And every vision actualised
And every hope materialised
Every mission crystallised
(2x)

Fight the good fight with all your might
Walk in the right, in love and light
Good better best, never let it rest
Till the good is better and the better best

R:

Real is your dream
Real as a sunbeam
Real is your vision
Remember your mission
