

# Counting Tears

Jimmy Dean

In the blue of the evening when shadows steal  
C G7 D7

There then my poor heart fills with fear  
C F

That you're gone forever that's really true  
C G7 C G7

I'm kissing your picture counting tears

C F  
Sometimes I wonder why do you wait  
C G7

We've been so happy all these years  
C

You're my first could be last love  
F

I'm losing my mind

C G7 C G7  
Yes I'm kissing your picture counting tears

C F  
You are my sweet one only you'll always be  
C G7

I'm up in the heaven when you're near  
C F

But there's the lonely four walls are closing in  
C G7 C

Yes I'm kissing your picture counting tears
