

Nobody

Jimmy Dean

When life seems full of clouds and rain and I am filled with no
t but pain
Who soothes my thumpin' bumpin' brain nobody
When winter come with snow and sleet, me with hunger and cold f
eet
Who says here's too bit more to eat nobody
I ain't never done nothin' to nobody and I ain't never got noth
in' from nobody no time
And until I get some from somebody sometime
I don't intend to do nothin' for nobody no time

Well I'm tyrin' hard and schemin' a plan to do the very best I
can
Who says look at that handsome man nobody
Well all day long things go a mess and I go home to find some b
liss
Who's waitin' there with a lovin' kiss nobody
I ain't never done nothin'...
Nobody no time
