

## Weakness In A Man

Jimmy Dean

Funny how you've changed it makes me wonder  
have I ever really known you  
How could you abuse the kindness and all the tenderness  
that I've shown you

If I'd have known then I'd have shown the strength  
On which my love could make a stand  
But you've mistaken tenderness and kindness  
for the weakness in a man

I can give you almost anything  
if I know what you're looking for  
I can give you everything  
that any other man can maybe more

He may of promised you the world  
but I can give you anything he can  
So don't mistake my tenderness  
for any sign of weakness in your man

I may live my life alone  
with walls of stone inside some prison cell  
But no man's gonna take the love I own  
and ever live to tell a tale

So don't forsake the love we knew  
cause now you know exactly where I stand  
And don't mistake my tenderness  
for any sign of weakness in your man

No my display of tenderness  
is no sign of weakness in your man
