

# On the Sunny Side of the Street

Jimmy Dorsey

Grab your coat  
Don't forget your hat  
But leave your worries  
Leave 'em on the doorstep  
Just direct your feet  
To the sun sunny side of the street

Pitter-pat  
You know that happy tune is my step  
Life sorry  
If you dig that beat  
On the sun sunny side of the street

Used to walk in the shade  
With those blues on parade  
What a drag old man  
Getting stuck in my shade  
Get hip

Don't be afraid  
Move it on over  
Kill yourself in the clover

Only here for a cent  
I'd be rich as Rockefeller  
Can't be beat  
Gold dust round my feet  
On the sunny sunny side of the street
