Bmi **A**
 I felt for sure last night
D **G**
 That once we said "goodbye",
Bmi **A**
 No one else will know these lonely dreams,
D **G**
 No one else will know that part of me.
Bmi **A**
 I'm still driving away,
D **G**
 And I'm sorry everyday.
Bmi **A**
 I won't always love these selfish things,
D **G**
 I won't always live not stopping...

It was my turn to decide,
 I knew this was our time.
 No one else will have me like you do,
 No one else will have me, only you.

Emi **G** **D**
 You'll sit alone forever if you wait for the right time,
A
 What are you hoping for?
Emi **G** **D**
 I'm here, I'm now, I'm ready, holding on tight,
A **Bmi**
 Don't give away the end, the one thing that stays mine.

Amazing still it seems
 I'll be 23.
 I won't always love what I'll never have,
 I won't always live in my regrets.

 What are you hoping for?
