

I Will Steal You Back

Jimmy Eat World

When you pull me in sometimes I almost feel
Pictured in my head, it's just too real
It's gonna be how it is, there's some things you don't change
You're done with telling us of that story

How slowly we built up walls
The years they pile on
I will steal you back
It's funny how the smallest lie
Might live a million times
I will steal you back,

Here we go, here we go, we'll take on so much pain
To feel secure, not feel anything
I only á¹-ick a fight I know I'm sure to lose
So I could I not hold my hope for you

How slowly we built up walls
The years they pile on
I will steal you back
It's funny how the smallest lie
Might live a million times
I will steal you back, back

How slowly we built up walls
The years they pile on
I will steal you back
It's funny how the smallest lie
Might live a million times
I will steal you back, back
I will steal you back
I will steal you back
