

## Surviving

Jimmy Eat World

Don't hide your face  
What you were before  
Doesn't have to be  
You any more  
Maybe you've been scared  
And that's what you know  
And all the shame  
Gonna call you home  
It's gonna call you home

It never was your fault  
But still a part you played  
You carry it so close  
You can read it's name  
In a lot of ways  
You're still that lost kid  
Yeah, you could still survive  
But not exactly live  
No, not exactly live

Gonna stand this cold  
Gonna see it out  
Never define yourself  
What choice is left there to make?  
If no one said it yet  
It would be a shame  
It ends right now  
You never wanted the pain  
Never wanted the pain

Never wanted the pain  
Never wanted the pain  
Never wanted the pain
