## **Drinking In The Woods**

## **Jimmy Fallon**

I don't wanna Do we have to I don't wanna Do we have to

Don't wanna go down and drink in the woods We could get some Mad Dog and hang out in my garage I got a ping pong table

I don't wanna Do we have to I don't wanna Do we have to

Don't wanna drink in the woods, it sucks Sit with 20 dudes in a pickup truck and we're gone I got my thermals on

Gatorade bottles filled with warm Smirnoff
Got too close to the fire burn my eyebrows off
I puked by the tree
I peed in the grass
and get poison ivy all over your ass

In the woods

Don't wanna drink in the woods tonight
The Last time I did I got into a fight
with some guy, who graduated 3 years ago

Paid 5 bucks for a plastic cup Foam is spillin' out and it won't fill up I pumped that tap, with my best friend And he flipped me over for a keg stand (keg stand)

I'm drinkin' in the woods

I'm drunk
Tree trunk
