

Holiday

Holiday, time to celebrate
We'll stay out all night, hang those Christmas lights
It's a holiday, time to celebrate
We'll stay out all night, hang those Christmas lights

Do it like the old days
Season's 'bout to come alive
Stay in like a snow day
We can let the snowballs fly

Play the music, we can use it
You can do it, come on, get into the spirit

It's a holiday, time to celebrate
We'll stay out all night, hang those Christmas lights
It's a holiday, time to celebrate
We'll stay out all night, hang those Christmas lights

We gon' pop the champagne
We're on 10, dressed to the nines
We gon' do the damn thing

Play the music
You can do it, come on, get into the spirit

It's a holiday, time to celebrate
We'll stay out all night, hang those Christmas lights
It's a holiday, time to celebrate
We'll stay out all night, hang those Christmas lights

Holiday, time to celebrate
We'll stay out all night, hang those Christmas lights
It's a holiday, time to celebrate
We'll stay out all night, hang those Christmas lights

Holiday
It's a holiday, it's a holiday
It's a holiday
It's a holiday, it's a holiday
It's a holiday
It's a holiday, it's a holiday
Okay, okay
